

CELEBRATING ACHIEVEMENTS AND EMBRACING NEW OPPORTUNITIES IN 2024!

Celebrating 2023

In 2023, your unstinting support enabled us to achieve remarkable milestones in our mission to empower girls and transform lives through education. One of our proudest accomplishments was fully sponsoring the education of fifteen deserving girls. Through your generosity, these young minds had the opportunity to pursue education, breaking barriers and unlocking doors to a brighter future.

Empowering Minds in 2024:

The new year has already started on a high note as we proudly announce that, for the first term of this academic year, we have already sponsored an additional 15 girls. This expansion of our program is a testament to the growing impact we are making together, providing more girls with the chance to realise their potential and make their mark in the world.

Sustainable Impact:

Thanks to your support, we now have a total of eight water tanks, each with a capacity of ten thousand litres. This ensures a consistent and reliable supply of clean water for the girls and their communities, promoting health and well-being. Sustainable initiatives like these empower our girls to focus on their education without the worry of basic necessities.

Dignity and Hygiene:

Continuing our commitment to holistic empowerment, we are thrilled to share that we have secured a year-round supply of sanitary pads. These will be distributed quarterly, ensuring that every girl has access to the necessary resources to manage her hygiene with dignity and confidence throughout the year.

Leadership Opportunities:

Two of our bright and ambitious girls were accepted to the prestigious Amazon Leadership Forum, which took place in South Africa. Despite the virtual format, the girls had the unique opportunity to participate in Nairobi as part of a mentorship program. This experience not only broadened their perspectives but also connected them with inspiring mentors who will play a pivotal role in shaping their leadership journeys.

2024

As we embark on a new year filled with promise, we invite you to join us in our continued efforts to empower and uplift. Your support is the driving force behind every success story, and together, we can create a world where every girl has the opportunity to thrive.
